Green Finance Academy for Banks and Financial Institutions

The *Green Finance Academy* offers an in-depth **analysis of green finance key concepts** and facilitates their application to your own cases and/or case studies through a **hands-on process** to **co-create new tailored** green finance solutions.

New green finance solutions are aimed at supporting the **growth of MSMEs** that are actively **delivering biodiversity solutions** efforts across their value chains.

Are you working in banking or finance and would like to learn more about green finance?

Join us for the **Green Finance Academy** in Malawi and Zambia!
