BioFA Replicator

for aspiring Green Entrepreneurs

The *BioFA Replicator* pairs you – as an (aspiring) entrepreneur – with established enterprises that **have successfully implemented biodiversity-positive business models** in another location.

During the Replicator process, you will be equipped with **hands-on tools** and **business blueprints** which are proven to be profitable, deliver combined environmental, social and economic benefits and are **easily adapted to different contexts**.

Are you an aspiring entrepreneur or business owner looking for inspiration and partnerships that help you to build a *biodiversity-positive* business model?

Join us for the BioFA Replicator
in Malawi and Zambia!
